Important: please enclose this form with your irons
We strongly advice using a recorded delivery service

Please do not send original packaging as it may get lost or damaged & increase your postage costs

Please feel free to make any additional repair notes on the reverse

Please indicate by ticking one box below which you would like, either a iron repair or a brand new V2 Blush Hair Styler worth £49.95

Just £29.95 plus your old faulty hair irons

The V2 blush pink hair styler is salon approved, in tests gets hotter faster & stays hotter than a ghd mk3. It has similar looks to a ghd with a sexy glossy finish & luxury metal box. You can exchange your broken irons for a brand new boxed V2 straightener (normally £49.95).
